Sleepy-time Stories, 10
Service Bureau, 9
Veterinary, 10

GENERAL INDEX

Abortion, bovine and porcine, caused by different germs, 774
Accredited herd work expands, 721
Acid-phosphate for corn, 554, 613
for hogs, 815
Acre value of crops declines, 199
Acreages of crops, relative, 735
Across Europe in a flivver, 1360
Adjusting production to consumer's needs, 858
Adjustment of corn acreage, 174
Administering the hog cholera serum law, 8
Administration backs rural credits, 1450
Adopting the "coöp" form, 333
Advantages of the coöperative pool, 298
Adviser to head of markets bureau, 105
Agrees with Nelson, 1266
Agricultural bloc—Farmers' program in congress, 8
conference—See farm conference
conference—Washington farm conference, 73
department establishes world radio crop service, 1380
legislation—News of Washington, 462
museum, 988
research, boys take up, 1331
Agriculture, department of, year book 1921, 1331
Alfalfa and clover seed, larger supply of, 422
at Ames, clover beats, 517
bulletin, new, 284
clog tile, will, 863
cutting, 666
cutting the first crop, 690
fertilizer for, 959
hay, clover vs., 178
inoculating, 342
leaf spot, 1045
problem, corn and, 757
rape vs. for hogs, 750
seed crop, Kansas small, 25
seeding in August, 930
seeding in early summer, 666
seeding timothy with, 1018
spring seeding of, 342
when to cut, 772
with rye, fall seeding of, 1014
Alkali soils, improving, 595
Alsike and timothy in the fall, seeding, 956
for wet land, 178
America world's bargain counter, 456
American farm bureau federation—Farm bureau reduces rail rates, 102
farm bureau meeting, 1520
farm economics association — Farm economists meet, 40
lard boycotted, 1478
royal car lot show, 943
royal entries close October 10, 1162
royal in new home, 1424
Americans build stockyards in Mexico, 1265
Ames cattle feeding day, April 12, 583
college to celebrate, 580
honors two men, 895
sheep judging contest, 422
short course will be practical, 42
swine judging contest, 655
Angus meeting, Iowa, 406
Apple cider, making, 1274
cider, mix varieties for, 1394
juices, unfermented, making and preserving, 885
song, 1266
varieties, new Ames, 1019
Apples—Best farm business in America, 1007
getting full value for, 1159
handling winter, 1027
pick at right time, 1079
saving surplus, 1296
Approaching fair season, 906
April feeder shipments, 655
Are the best pigs from first litters? 792
you building this year? 135
we tired of being easy marks? 1191
Argentine wool situation, 630
cattle market slumps, 730
sheep business declines, 1066
Arizona cattle supply, 878
Asks tariff on vegetable oils, 89
Atlantic, big live stock show at, 1078
Attack on reserve policy, 101
Australian food imports, 1380
wheat pool, 389
Auto license numbers of Iowa counties, 909
Average income of the farmer, 343
Baby beeves, boys and champion, 576
beeves, making good with, 1155
chick market, supplying, 790
Back to the farm, 1192
Bacon, Canadian or United States on the British market, 26
type hog, English opinion on, 1191
Banking, coöperative campaign for, 38
Barberry campaign to continue, 1315
eradication reduces rust damage, 959
Europe banishes, 1379
removed in Iowa, 982
Barley for Iowa farms, more, 297
varieties, Missouri, 342
vs. oats, 434
Barns—Are you building this year? 135
Barrow sale at International, 1535
Be a booster, 348
Beach, Spencer Ambrose, the work of, 1328
Bee-keeping in clover regions offers good opportunities, 567
Beef calf, care of, 1032
cattle equipment, 1065
in cold storage, 894
killing on the farm, 41
turning blue grass into, 521
producing states, surplus, 1027
Bees, spring handling, 372
winter feeding of, 238
winter shelter, give, 1312
Beetles damage buildings, 287
Belgian dies, Farceur, noted, 41
Berkshire weights, error in, 40
Best corn in Woodford county, 35
farm business in America, 1007
hill farmers in the county, 831
method of killing Canada thistles, 1266
price for farm products, 1544
Big banker and the farmer, 1266
live stock show at Atlantic, 1078
money in spring trapping, 137
yields of corn in Ohio, 88
"Billy" Brock dies, 422
Binder twine prices, future of, 577
Black, Clyde—Second Iowa corn yield contest, 171
sheep, reason for, 597
Bloat on clover pasture, 692
Bone in hogs, 460
Books for Christmas, 1471
for the country school, 1194
for the farmer's library, more, 1326
Bovine and porcine abortion caused by different worms, 774
Boys and champion baby beeves, 576
and girls at Iowa corn show, 1328
and girls' clubs, 1014
and girls clubs—Young Iowa at the state fair, 1010
take up agricultural research, 1321
Breaking the colt, 721
Breed association meetings, 1523
Breeding for bigger litters, 1361
sows in the fall, 1017
suckling sows, 375, 434, 492
Bridge grafting trees, 582
Bringing down the farm taxes, 254
British bacon—John Bull and American bacon, 211
bacon situation, 1268
live stock trade slumps, 320
milk records, 89
trade with United States increases, 287
Brood sows—Feeding for bigger litters, 1361
sows in northern Iowa, is there a shortage, 370
Brome grass, 463
Buchanan, pays in limestone, 551
Buckhorn creamery wins success, 1421
Buckwheat as an emergency crop, 716
Buffalo bur, 989
Build up the locals, 1193
Building—Fresh air for hogs, 811
Keeping ahead of old man time, 103
Making money out of fresh air, 215
this year, are you, 135
Vanishing point with hogs, 461
Buildings and equipment, 259
plans for, 579
Burglar alarm, simple electrical, 581
Burn corn and keep warm, 1055
out chinch bugs, 57
Burning coal—Coal strike and the corn crop, 956
Business agent and his job, 1389
Butchering cuts meat costs, home, 1545
home, farmer saves money by, 12
Butter contest, Iowa man wins, 264
print, velvet weed or, 989
Buttermilk and cement paint, 561
paint for old buildings, 525
Buying bargains? 1077
Cabbage disease resistant, 597
wilt, 581
worms, killing, 772
Calf club leader, Holstein, 326
club—Where cattle breeders are bred, 175
club—Developing future dairymen, 387
California counties lead, 597
Calves, early breeding cuts size, 528
it pays to watch the, 770
Camp township comes thru, 1014
Campaign for coöperative banking, 38
Can Europe buy our farm products? 1425
we reduce the corn smut loss? 1392
Canada margarine production declines, 314
marketing wheat in, 983
thistle pest, 670
thistles best method of killing, 1266
thistles, killing, 932
Canadian agricultural commissions, new, 359
cattle, the tariff and, 1489
farmers elect candidates, 57
vs. United States bacon on the British market, 26
Canker worms, spray for, 760
Capital—Who gets the unearned increment? 637
Capper-Tincher bill introduced, new, 714
Carols, Christmas, 1460
Cash tenants and corn reduction, 538
Cattle, buying—What's under a hide? 933
Cheaper production, 641
die, many, 631
feed silage, many, 599
feeder, whats' ahead for the, 1232
feeding—Cattle in the range country, 39
feeding—What did those steers make you? 1393
in the range country, 39
Iowa will feed New Mexican, 1393
not affected by yeast feeding, 1396
on feed in Iowa, 1554
on feed in Nebraska and the corn belt, 1554
on shares, pasturing, 526
preparing for shipment, 259
prices, future trend of, 337
prices hit bottom, have, 298
prices—On the hoof and over the counter, 400
sales, safeguarding, 692
supply, Arizona, 878
tick is disappearing, 287
to Mexico, move, 1349
Causes of increase in farm tenancy, 39
Celery, how to keep, 1298
Cement paint, buttermilk and, 561
Certified Iowa grown Kanred wheat, 988
Certifying seed grains, rules for, 357
Cheers for the hog, 1195
Cherokee farmers compare soy bean varieties, 1394
Cherry leaf rot, 1018
leaves, plow under, 1511
Chester White show ring sires, 855
Chicago commission firm, 490
milk producers fully organized, 1009
producers' commission house makes good start, 812
Chickasaw fair, 1093
Chicken thief, getting after, 520
thieves, fighting, 1162
Chicory, 1044
Chimneys and fireplaces, 25
Chinch bugs, burn out, 57
bugs, how to control, 862
Cholera, prevention against, 492
Christmas, books for, 1471
carols, 1460
eve, 1459
gifts, 1522
Church community, plans for, 859
Cider—Making and preserving unfermented apple juice, 885
mix varieties for apple, 1394
Civilization and inventions, 1266
Clayton-county breeders fight scrubs, 834
creamery, new, 736
culls chickens, 895
Shorthorn breeders' association—Clayton county breeders fight scrubs, 834
spraying in, 1195
Clean herds in Iowa, more, 1265
Clover beats alfalfa at Ames, 517
for green manure, which, 338
not harmful, mildewed, 1331
on winter wheat, seeding, 461
pasture, bloat on, 692
problem, timothy and, 407
seed, shipments of, 441
seed, warn against imported, 441
silage, 860
value of, 342
vs. alfalfa hay, 178
Club work booms in Illinois, 895
Coal strike and the corn crop, 956
strike — Threshing situation, 932
Cocklebur, killing the, 692
College sends out many films, 963
to show stock, 895
Colorado, visiting in, 1078
Colt, breaking the, 721
Commission companies, farmers' firms report, 597
houses, Iowa Farmers' Union and Equity take over, 666
men and federal regulation, 432
Commodity marketing association—A better price for farm products, 1544
Common sense for the wealthy, 1268
Community church, plans for, 859
clubs organize, 895
life—What a farm community can do, 787
making of, 573
Comparative corn work at Missouri, 257
values of feeds, 176
Comparison of corn supplements, 491
Concrete fence posts, 612
Congress meets in special session, 1392
Consolidated schools, 1266
schools, taxes and, 989
schools—Taxes and schools, 1266
Controlling live stock markets, 690
Coöperation—Adopting the coöp. form, 333
Coöperative — Relate production to consumer demand, 746
banking campaign for, 38
elevators—Adopting the coöp. form, 333
elevators — Wanted, a good old-time revival, 1451

marketing association, new national, 73
marketing—Distribution of the risks of marketing, 216
marketing, essentials of, 174
marketing—How the northwest sells wheat, 1541
marketing—Live stock marketing at the terminals, 747
marketing, pool in, 175
marketing—Program for the Farm Bureau, 6
marketing—Wheat growers in 100 per cent pool, 400
pool, advantages of, 298
shipping in Missouri, 176
shipping—Will the coöp. shippers stick? 67
spraying in Iowa, 336
Coöperatives—Build up the locals, 1193
Corn, acid phosphate for, 554, 613
acreage, adjustment of, 174
acreage and prices, 1017
acreage, Illinois to cut, 72
acreage reduction, against, 492
acreage reduction — Program for the Farm Bureau, 6
acreage, should a live stock man reduce, 9
and alfalfa excels in Nebraska judging contest, 462
and alfalfa problem, 757
and oats, cost of producing, 1453
and oats shrinkage, 1490
and soy bean silage, 178
and soy beans for hogging down, 223
and soy beans, relative yields, 447
assuring a good stand of, 583
belt farmer as a borrower, 369
belt meat producers meet, 1546
best in Woodford county, 35
borer not found in Iowa, 934
burn, and keep warm, 1055
burning—Fuel patch, 218
cobs as fertilizer, 41
cobs, organic acids from, 1066
contest, Humboldt county, 106
contests in forty-one Iowa counties, 895
contest, Indiana, 56
contest, Missouri, 241
contest, 1922, Iowa, 264
crop, coal strike and, 956
crop, don't dump the new, 1106
cultivation, shallow, proves the best, 578
disease eradication, urge, 239
easy shelling and easy husking, 105
Europe and American, 597
excels sunflowers, 528
exports double, 815
fertilizing the, 611
field, efficiency in, 549
flakes frighten Swedish oatmeal men, 1529
fodder, shredded, value of, 12
for fuel or rat feed, which, 240
from Iowa to Minnesota, 461
from Pocahontas county, 116
growers favor shallow cultivation, 65
hogging down, 1137
hogging down saved husking costs, 73
husker, Iowa's champion, 1485
husker, who is Iowa's champion, 1362
husking machinery, experience with, wanted, 1296
husking, speed counts in, 1259
in Ohio, big yields of, 88
in silo, storing, 1267
in the crib, measuring, 463
judging medals, offers, 512
markets, European, investigating, 357
prices, Liverpool and Iowa, 405
products, 625
receipts, 1921 break record, 57
reduction, cash tenants and, 538
seed, watch for rot, 580
seeding clover in, 375
shall we sell or feed it, 714
shelled vs. broken ear, 340
show, Illinois, 239
showmen, of interest to, 490
smooth outyields rough, 1478
smut loss, can we reduce the, 1392
some crop substitutes for, 3
soy bean ration, minerals help, 1042
stalks, syrup out of, 42
storing extra, 1234
stover, measuring shredded, 42
substitute, oats as, 219
substitute, soy beans as, 99, 492
substitutes—What to grow instead of corn, 640
summer shrinkage of, 1015
supplements, comparison of, 491
tankage rations for hogs, 102
tell us about your, 1335
thinning, 582
types—Of interest to corn showmen, 490
Use the right planter plate, 552
utility yields the highest, 239
what to grow instead of, 640
white vs. yellow, 219
work at Missouri, comparative, 257
yellow or white for hogs, 553
yield contest, 524
yield contest progress, Iowa, 1396
yield contest, second Iowa, 171
Correction, 759
Cost accounting—What did those steers make you? 1393
of creosoting, 528
of living—Living costs and the farmer, 576
of producing corn and oats, 1453
of producing hay, 1045
of raising pigs, 340
of retailing meat, 326
of tuberculin testing, 1546
Cotton acreage increases, 848
acreage, no increase in, 389
Cottonseed meal for steers on pasture, 884
Country school, 909
schools, 1162
County agent and the Farm Bureau, 1131
agent, educational and business agent, 103
agent resigns, 272
agents' conference, 1216
library—More books for the farmer's family, 1526
tests all cattle, 1061
Cow testing, Iowa, 850
testing profits, 1299
Cowpeas, soy beans excel, 522
Cream problem, solving the sour, 743
Creameries — Solving the sour cream problem, 743
Creamery costs, keeping down, 835
demands milk from tested herds, 240
efficiency, increasing, 485
wins success, Buckhorn, 1421
Creosoting, cost of, 528
fence posts, 370
hog house floors, 340
Crop conditions, European, improve, 287
